VOLUME 68

	Page
Index	3
Contents	12

No. 1, January/February ..... Photonic and Electronic Device Technologies
No. 2, March/April ..... Technology of Future Networks
No. 3, May/June ..... Optimization
No. 4, July/August ..... Electronic Publication Technology
No. 5, September/October ..... Designing the Human Interface
No. 6, November/December ..... Operator Services Position System

AT&T TECHNICAL JOURNAL (ISSN 8576-2324)
is published six times a year by AT&T. Current price of individual subscriptions: U.S.—1 year $45; 2 years $81; 3 years $106; Foreign—1 year $56; 2 years $92; 3 years $117.

Payment for foreign subscriptions must be made in U.S. funds, or by check drawn on a U.S. bank, and made payable to the *AT&T Technical Journal*, and sent to AT&T Bell Laboratories, Circulation Group, Room 1B-413, 101 J. F. Kennedy Pkwy, Short Hills, NJ 07078.

Current or recent issues may be obtained by writing to the Circulation Group or calling (201) 564-2582. You may obtain back issues from the AT&T Customer Information Center, P.O. Box 19901, Indianapolis, IN 46219, or by calling (800) 432-6600. From outside the U.S. call (317) 352-8557. Photocopy or microform reprints from the *Journal* are available by writing to University Microfilms International, 300 N. Zeeb Road, Ann Arbor, MI 48106, or calling (800) 521-0600. From outside the U.S. call (313) 761-4700.
